

Core Values.

Our Core Values make up the fundamental building blocks of Studio 10. They are our guiding principles which ensure we are on the correct path to fulfil our ethical, environmental and workmanship goals.

- We respect individuals, the community and our environment.
- We have an uncompromising commitment to the health and safety of our employees and the community.
- We value honesty, integrity and teamwork.
- We encourage individual initiative, ability and creativity.
- We will make business decisions in a fair and ethical manner.
- We will develop partnerships and foster consultations through open communication with all our stakeholders.
